2nd Conviction Brought by Jury in Murder Case

Earnest Nicholls Found Guilty of Setting Up Aaron Leggett Slaying

Earnest Lloyd Nicholls, 48, was convicted of murder Tuesday on a charge of arranging the fatal shooting of an Arlington golf course maintenance man last Feb. 4.

A jury of eight men and four women returned the verdict at 7 p.m. after deliberations of about two hours.

Nicholls, son, Charles, 21, was found guilty by another jury Tuesday of participating in the shooting of Aaron Leggett, 38, in Leggett's quarters at the golf course. Leggett was shot nine times.

A third defendant, Paul David Kelley, 19, a brother-in-law of the elder Nicholls with whom he resided on Oak Park road, Mitchell, is scheduled for trial on June 28.

The elder Nicholls was charged with offering to pay Kelley \$300 to kill Leggett because of affections Leggett allegedly had for the elder Nicholls' wife, Audrie.

Denies Charges
Taking the stand in his own defense Monday, Nicholls denied the charge but admitted that he had purchased the murder gun, a .22 caliber pistol, at a Mitchell area discount store the week before the murder, saying it was for his own protection.

He testified that Kelley had borrowed the gun from him the evening before the murder, and the gun was given to Kelley by the youth had threatened him on several previous occasions.

Nicholls said he was sleeping the night of the murder when Kelley entered his room and said, "I got somebody and he won't bother you or me. It's worth something," and continuing to quote the youth \$300, or else you'll get the same.

Makes Two Payments
He said he then paid Kelley \$150 he had been saving to insure his house.

Nicholls also admitted that he paid his son \$150 but did not know why and there was no conversation as to the money.

The elder Nicholls said Kelley had instructed him to do so. The payment was made to Kelley at a Hartford grocery store and he accompanied him to go fishing.

Charged remains of Leggett's wallet and papers were found by sheriff's authorities at a dump near Sunset Hill after the bodies were taken to the morgue by one of the youths. Evidence showed by the state placed the elder Nicholls at the dump.

In attempting to explain, Nicholls testified that when he returned from work at Granite City Steel Co. after the murder, he found his son drunk in bed with all of his clothes on.

Boys Tire, Wheel
Later the son asked him to take him where he could buy a tire and wheel, he said, and later his son accompanied him on a trip which first included a stop at a Hartford grocery store and to the Edwardsville office of the Madison county Farm Bureau.

The younger defendants told authorities they drove back from the golf course with a flat tire.

On the way back, the son became sick in the car and asked the elder Nicholls to stop near the Sunset Hills Country Club, he testified, and Charles got out of the car for several minutes, allegedly to burn the wallet.

The father said that when he

Mayor Partney Names Son To Port Authority Board

Donald Partney Jr., a project engineer at Union Starck & Refining Co., was appointed a commissioner on the Tri-City Port Authority board by his father, Mayor Donald Partney. The appointment to the non-voluntary post was made during Monday night's council session.

Council members confirmed the appointment which has to be approved by Gov. Kerr.

The younger Partney succeeds William Beatty, former city attorney whose term had expired while Mayor Davis still was in office.

The new commissioner, 27 years old, has been in his present position at Union Starck for three years. He is a graduate of the University of Illinois with a degree in mechanical engineering.

He is a native and lifelong resident of Granite City and graduated from the local high school where he was a member of the National Honor Society.

He also is a member of the Society of Mechanical Engineers and the Madison County Society of Professional Engineers. He is scheduled to take a professional engineer exam within a year. He also is active in DeMolay work.

Commissioner Partney is married and has one child. The family resides at 2018 Benton street.

Other members of the port board are Carl A. Ranft, chairman; Joseph Grant, H. D. Karandeff, H. R. Fischer, Harry Hartman and John Belleff.

700 are Registered At Park Playgrounds

About 700 children have registered at the Granite City park districts' nine summer playgrounds, according to director Mrs. Helen Bjorkman.

Registration is still open for the playgrounds. The recreation centers are open from 9 a.m. to noon and from 1 to 3:30 p.m. Monday through Friday.

The centers are at Logan, Marshall, McKinley, Niedringhaus, Nemours, Webster and Wilson schools, the Community Center and the Salvation Army.

Staff members are attending workshops this week in preparation for coming activities. Registration was held Monday and Tuesday with the regular program starting yesterday.

A field trip for the children to Springfield is scheduled June 22.

Traffic, College Link, Jobs, Pride Cited as Vital

Representatives of light industry and other business firms, discussing community needs at a dinner meeting Tuesday night at the Rose Bowl, pinpointed Southwestern Illinois University liaison, expansion of governmental services, highway and traffic improvements, civic pride, industrial development and diversification and citizen action as major objectives.

Among programs discussed were upgrading the Quad-Cities image, including correcting misconceptions about management labor relations; emphasizing the importance of a neat and attractive community with residents, business and government sharing responsibility for the task to achieve more helpful legislative attitudes; expanded use of the city's own facilities; more traffic control; and increased public understanding of the free enterprise system and other basic democratic concepts.

The 37 discussion participants agreed that this area has many advantages and outstanding facilities—schools, recreation, university access, fine residential areas, comparatively low taxes, etc.—and may need to seek wide recognition of such assets.

William L. Harris was moderator, and panelists were Carl E. Mathias, Tri-Cities Chamber of Commerce president; Paul H. Lichtenberger, E. A. Karandeff, Carl A. Ranft, Sam L. Meyer and Chester L. Baker.

Plans were made to confer with state legislators at Springfield next Tuesday.

GC Moves To Correct Traffic Conditions

11-Member Commission Named; Expert to be Hired, Part-time Basis

The first step toward improvement of traffic conditions in Granite City and possible elimination of a number of the more than 900 costly and time-consuming stop signs was taken Monday night by the city council.

Appointment of a 11-member Traffic Study Commission was approved, and council members indicated they were willing to support Mayor Partney's proposal that a traffic engineer be hired on a part-time basis to advise the city.

Partney estimated the cost of hiring a traffic expert would be \$350 to \$200 a week. He added that free engineering advice for preliminary work would be supplied by experts of the Automobile Club of America.

\$582,000 Levee Taxing Plan Introduced, Reaches 2nd Reading in Ill. House

Old Post Office Returned to U.S.; Way Open for Park

The Madison county board of school trustees, which holds title to all school properties in the county, Tuesday night signed documents returning the old Granite City post office to the federal government.

The move opens the way for the city or park district to obtain title to the downtown site for development as a park or for other purposes. The building is located on North Third street, between Delmar avenues and 20th street.

The Granite City school district obtained title to the property nearly a year ago for classroom, office and storage purposes, but could that it was inadequate. If not used for its avowed purposes within a year, the government would assess a special fee, school trustees were told.

During the meeting in the Edwardsville office of William Trime, superintendent of schools, the trustees also authorized the transfer of title to the small corner of the Prather junior high school ground to the city or park district.

The school district will be paid about \$100 for the tract.

6 Drainage Projects Include \$3 Million Hillside Program, Plus Stormwater Channel In This Area; Non-Referendum Bond Issue

Supreme legislation which would permit expenditure of \$5,802,000 in Quad-City and East St. Louis area property taxes without an election was advanced to second reading yesterday in the Illinois House.

Backers of Springfield described the six East Side Levee & Stormwater District drainage projects as having the support of "civic leaders" in this area, but a sampling of public reaction by the Press-Record disclosed strong local opposition. Over half of the total would be spent for "hillside drainage," with much of the work taking place outside the levee district area.

Dated June 4, House Bill 2141 and its proposals are not generally known in the affected areas and have not been under active public discussion in recent weeks. But this proved to be no handicap in gathering an impressive array of political support at the state level.

The list of sponsors was headed by Rep. Leland Kennedy (D, Alton) and Sen. Castello (D, East St. Louis) but also included the three top Democrats, Speaker of the House John Troy, Chicago, Majority Leader Clyde Choate, Anna, and Majority Whip Paul Edward, Chicago.

Other sponsors were Rep. Dan O'Neill (D, Alton); Rep. Ed Lehman (D, St. Louis); Rep. Leo O'Brien (D, St. Louis); Rep. St. Clair county; and Rep. William Cunningham (R, Pinckneyville), and four other Democrats, R. J. Han, McHenry, and John Merlo and John Daily, both of Chicago.

Ordered for second reading by unanimous consent of those present, the bill was allowed to proceed without referral to a committee.

While the levee board would be allowed to issue up to \$3,802,000 in general obligation (property tax) bonds, the six projects listed in the bill would be carried out completely. The bonds would be issued by Jan. 1, 1967.

List of Projects
"Stormwater drainage for the Granite City and Pontoon Beach area, \$1,000,000."

"Stormwater facilities in Cahokia, \$440,000."

"Stormwater drainage with pumping station along the Mississippi-Pacific Railroad at Cahokia, \$97,000."

"Redirection of Harding Ditch from Lake Blvd. to the Baltimore & Ohio Railroad, \$280,000."

"Redirection of Cahokia (Hartford) Canal from the Terminal tracks to State Highway 162, \$620,000."

"Hillside drainage plan as recommended by the U. S. Army Engineers, \$1,600,000."

Stormwater Channel
A. L. Kraemer, levee district engineer, told the Press-Record yesterday the local project consists of a new stormwater channel along the Alton and Southern Railroad right-of-way from a point north of Pontoon to Horseshoe Lake.

The \$450,000 Cahokia project involves rehabilitation of Dead Creek, and the other Cahokia listing includes about \$700 for a ditch and \$640,000 for a pumping station.

At Hartford Canal, \$340,000 would be spent on work from Highway 162 to control works at Horseshoe Lake, and \$280,000 from the control works to Terminal Railroad Association river-truck tracks, Kraemer said.

Hillside drainage work would include enlargement and relocation of ditches, detention reservoirs, creek and creek branch improvements, bridge relocations and a new channel for the Schoerger Creek.

Federal Taxes
Kraemer said the federal government has been providing \$18,800,000, resulting in an overall expenditure of about \$12,000,000. He said this would include \$3,680,000 in federal taxes for a hillside drainage diversion channel and \$2,500,000 for a new channel in the Hartford Canal, which he said has been damaged by floods.

He added that while the other cost estimates are recent, basic hillside drainage costs were set in 1963 when the federal government was providing \$18,800,000.

Although the Pontoon Road-Horseshoe Lake proposal relates to the \$18,800,000 federal tax, the approximate route of sanitary sewers proposed by Nemooki township.

Granite City Mayor Donald Partney said yesterday, "It's not a city project. We know nothing about it."

Other Bills Pending
Chairman of Commerce President Carl E. Mathias, county clerk, said "I was unaware that such a bill was to be introduced and I did not study it. I have my hope that the legislature

Court of Honor for Mitchell Troop 41

A court of honor and recognition ceremony was conducted Tuesday evening at the old Parish Hall, Mitchell, for leaders and Boy Scouts of Troop 41, sponsored by Mitchell PTA.

Edwin Menke, district scout executive, addressed the audience of more than 75. He praised those who had earned achievement awards and encouraged the youths to continue to apply themselves in the scouting program.

Zane Miller, neighborhood commissioner, presented the troop charter to John Sands, institutional representative. Members of the troop executive committee given recognition included Ralph Thomas, James Greer, William Hayes, George Bugle, William Myers, Mrs. Eugene Christian and Robert Polley.

Scoutmaster Russell Selph announced that troop member Charles Hayes will advance to the rank of Eagle Scout at a special court of honor Tuesday night at the Parish hall. Hayes, his brother, Robert, and George Becker were commended for perfect attendance records.

Awards were presented by Selph to the following: First class pins and merit badges — Ronnie Donaldson and Richard Myers; merit badges — Charles and Robert Hayes; second class pins — James Greer, Kenny Christian, Pat Spies, Russell Selph Jr., Mike Polley, Donald Selph and Dusty Corzine; tenderfoot pins — Kevin Dyer, Ray Arthur and Tom Colbert; and a recruiter stripe to Russell Selph Jr.

Rev. John D. Giacomo offered the benediction to conclude the meeting.

Officers Nominated By Legion Post 113

Edgar Horton and Donald Short were nominated for the office of commander of Troop 113 at a meeting Tuesday night. Officers will be elected at the June 22 meeting.

Others nominated were Wilbert Nierpert, senior vice-commander; Dan Smith, junior vice-commander; Harold Summers, finance officer; Almer Branding and Frank Tull, executive board; Joseph Summers, outgoing commander, trustee board; John Pempa, sergeant-at-arms; Hugh Oglesby, historian; and Harold Summers, Don Short, Henry Fabian, Summers, Nierpert, and Horton, delegates to the state convention.

Horton, current senior vice-commander, reported on the 22nd district convention held last Sunday at Alton.

It was announced that the boys selected to attend Boy's State at Springfield this summer are Forrest Swan and Richard Turner.

A report on Saturday barbecue sales was presented by Nierpert who asked for assistance in operating the stand. Summers conducted the meeting, followed by a lunch.

20 Faculty Posts Open, Recruiting Ahead of 1964

"Recruiting of staff members is ahead of last year, but we've made no forward progress in the last month due to resignations offsetting the number hired," Supt. Russell D. Johnson advised the Granite City school board Monday night.

At the previous meeting, it was noted that 48 new personnel had been employed and 18 positions remained to be filled. This week, the board accepted six resignations and hired four teachers.

Newly named were four elementary school teachers — Mrs. Patricia Ann Barnett, 3235 Edgewood avenue, Southern Illinois University bachelor degree and two years of experience; Mrs. Jean Theresa Brown, 2938 Oregon street, Eastern Illinois U. bachelor degree and one year of teaching; Mrs. Julia Ann Patton, 2301 Lincoln avenue, University of Illinois bachelor degree and one year and a half of experience; and Thomas P. Wyrostek, East St. Louis, 1963 bachelor degree from University of Missouri.

Fall Assignments
Mrs. Barnett will teach a fifth grade class at Niedringhaus school. Mrs. Brown will teach the third grade at Frohardt. Mrs. Patton will be a second grade teacher at Maryville school and Wyrostek will teach physical education at Lake school as well as serving as an assistant football coach at Granite City high school.

Resignations were accepted from J. R. Brandsmark, 1733 1/2 E. 10th street, a GCHS science teacher, who cited personal circumstances; Larry F. Buechler, 1733 1/2 E. 10th street, a GCHS science teacher, who cited personal circumstances; and Jack Dyer, 24 Villa drive, GCHS English teacher, who will become editor of Southern Illinois University publications; and Miss Ellen Bowman, St. Louis, Mitchell third grade teacher.

Dale Rea, principal of Emerson grade school, was employed for three weeks this summer to complete National Defense Education Act records for 1964-65 and to prepare 1965-66 NDEA records and requests in liberal arts subjects.

The board Monday night approved partial 1965-66 NDEA expenditure proposals amounting to \$13,254, of which the school district will pay half and federal taxes half. Included were science, \$8863, mathematics, \$2761, and foreign languages, \$827.

Salary Decisions
Salary of Supt. Russell D. Johnson was increased from \$18,600 to \$18,800. Yearly pay of School Engineer Marvin Dean was left at \$10,200 with the board rejecting a \$350 raise recommendation.

By a 4-1 vote, Mrs. Alma Irvin, cafeteria director, who works 10 months a year, was raised from \$640 to \$675 a month. Favorable votes were cast by President Monroe Worthen, Dr. E. W. Walton, secretary, and Royce Timmons and George Moore. Robert Clider opposed the raise. Board members absent were Daniel Linder and Treasurer Ronald Dillard.

The board voted to adjust the pay of Thomas North, GCHS assistant principal, to conform with a schedule adopted in June 1964 for administrators. It was found to be the only one not meeting the schedule.

Supt. Johnson was authorized to name a committee this fall to evaluate the administrators' pay schedule and to possibly suggest revisions. It consists of persons ages above the teacher schedule.

Moore agreed to attend a workshop for school board members June 26 at Southern Illinois University.

3712 Summer School
Supt. Johnson announced enrollment of 2572 in the summer school program which began Monday, and said more students were registering this week. Not included were a gifted pupil workshop to start June 28 and "Operation Head Start" instruction opening in July.

The summer school tabulation included 659 taking 1248 subjects at GCHS, 459 at the junior high school level, and 1254 elementary students.

Regular school attendance for April was announced as 94,177, including 94,484 in the first through twelfth grades and 88,227 in kindergarten. Enrollment at the end of April totaled 13,442.

Supt. Johnson reviewed pending school legislation and reported \$129,118 in payments for unused earned absences to 21 employees terminating their employment. Teachers substituting for their non-teaching hour totaled 87, who received \$4442.

Two are Confirmed

Two Granite City young people were confirmed this week at the festival of Pentecost service at St. Paul United Church of Christ by the pastor, Rev. Ralph Kuehler. They were Charles E. Ringering and Susan W. Ringering, son and daughter of Mr. and Mrs. Arthur Ringering, Rural Route One.

Parked Car Damaged

A parked car owned by Floyd J. Jordan Jr., of Centerville, was damaged at 2 a.m. today in the 3000 block of Second street in West Madison when it was struck by another auto which left the scene.

Still Time for Joining Music Under Stars Groups

More singers still are needed for the Granite City party singing's 7:30 second rehearsal for the "Music Under the Stars" program, it was announced yesterday by Director Warren Simpkins following the initial rehearsals on Tuesday.

Simpkins said about 130 youngsters and adults were present for the initial rehearsals which are being held in the vocal music room at the senior high school.

"Anyone wanting to take part in the 7:30 second rehearsal for the adult group or can come to Tuesday's sessions for the schoolage groups."

The Tuesday and Thursday rehearsals for fifth and sixth graders are at 9 a.m.; seventh, eighth and ninth graders, 10 a.m.; high school age, 11 a.m. and the adult group at 7:30 p.m.

The first outdoor Music Under the Stars program will be held at 8 p.m. on June 17 in Wilson Park where a stage has been placed near the 27th street and Delmar avenue entrance.

Enlists in Marines

Ronald Asbeck, son of Mr. and Mrs. Ralph Asbeck, 2205 Terminal avenue, a new Granite City high school graduate, will leave June 15 for San Diego, Calif., to begin a four-year Marine Corps enlistment.

Man Hit on Head

Police were called to the emergency room at St. Elizabeth Hospital at 3:30 a.m. Wednesday at a man who was hit on the head with a bottle which was being treated. He refused to make a statement concerning the incident.

He was placed near the 27th street and Delmar avenue entrance.

ICC Enters Final Ruling in Venice Underpass Project

Decision for a division of cost in the long-discussed Broadway underpass project in Venice clearing the way for construction bids possibly by the first of next year, was handed down by the Illinois Commerce Commission in Springfield yesterday afternoon.

The ruling, which will be put into a written order within the next 30 days, eliminates a series of hearings that have been postponed from one time to another over the past two years and makes possible for the first time a potential construction schedule for the underpass project.

The Broadway underpass is part of the FA Route 151 River Road construction by the federal government and will mean elimination of the railroad grade crossing at Main street and Broadway in Venice.

Commerce Commission officials entered the order after a hearing Wednesday attended by city officials from Venice and representatives of railroads whose tracks are involved in the project. These include the Norfolk & Western, the Gulf, Mobile & Ohio and the New York Central.

\$120,000 Loan to City
Under the ICC decision, the railroads will pay \$180,000 of the cost and will loan \$120,000 to the city of Venice to be repaid, without interest, over a three-year period. The city of Venice is to pay approximately \$100,000 of the cost, with the state of Illinois to pay \$44,000.

Right-of-way east of the railroad tracks is to be provided by Venice, but the state and federal government will provide right-of-way west of the tracks to Bremen avenue.

To Close Kerr St.
The order to be prepared by the ICC also will include provisions for the closing of Kerr street and the commitment of state funds.

Dr. John E. Lee, mayor of Venice, said that the ICC action should clear the way for the calling of bids on the underpass right after the first of 1966. Latest engineering estimates indicated a year will be required to complete construction from the time contracts are awarded.

Venice will have its share of the money by the time bids can be called, the mayor said. The city already has \$200,000 invested which it has put back from the annual payment of \$100,000 for operation of McKinley bridge. Dr. Lee pointed out that the city will receive an additional settlement in bridge payments in October and that the city should have no difficulty in providing its \$300,000.

The mayor said that completion of the ICC hearings will make it possible for the state highway department to include the underpass in its 1966 appropriation and construction program.

Attending the Springfield hearing from Venice Wednesday were Mayor Lee, City Atty. Harry Hartman, Consulting Engineer Edward J. Jurek, City Clerk William "Mike" Elensol and Walter D. Simmons.

Shipping Center Crash
A car driven by Gary W. Hayes, 1721 Third street, Madison, was involved in a collision with another driven by Herbert W. Quick, Overland, Mo., who was making a left turn into a shopping center in front of 1401 Kirkpatrick homes on Nankin road at 7:50 p.m. Wednesday.

6 Persons Hurt In Area Crashes

Injuries were suffered by six persons in four of 15 traffic accidents occurring in and near the Quad-Cities this week.

Two persons were injured when a car driven by Stanley Ambarger, 2558 Benton street, was struck in the right side by another driven by Mrs. Sandra A. Kopsky, 31, of 2932 Grand avenue at 21st street and Madison avenue at 2 p.m. Tuesday.

Treated at St. Elizabeth Hospital were Mrs. Kopsky, for a pain in the right foot and ankle, and Ambarger's son, Carl, 10.

Another accident involving an auto, which was eastbound on 21st street, came to rest against a utility pole, Mrs. Kopsky's husband, Mrs. Kopsky, was headed north on Madison.

Driver Injured
Richard L. Wilson, 31, of 3157 Willow avenue, was injured when his auto struck the rear of a car of Raymond C. Valerius, 3129 Edgewood avenue, at 7:30 p.m. Tuesday at 1937 St. Clair avenue. Both cars were headed west, and traffic had slowed as an eastbound patrol car was in pursuit of an auto.

The patrolman handled the accident. Two Granite City boys were admitted to Wood River Hospital with injuries suffered when a motor scooter on which they were riding struck a defective iron wall and collided with an auto driven by Mrs. Alvin E. Laverne, 3711 Kirkpatrick homes, 15, son of Mr. and Mrs. Edmon Avants, 2711 Kirkpatrick homes, Avants suffered a concussion, possible head injury, and an injury to the left leg, while Dalton had a left leg injury and abrasions and contusions to the legs and arms. It was reported that a cable fell off the scooter.

Hurt on Route 111
Carl Chapman, 19, of East Alton, suffered severe injuries when his auto ran off the pavement of Route 111 at Sand Prairie road and struck a parked truck belonging to Raymond Newberry, total Route One.

Chapman suffered cuts and contusions to his face, head, chest, both arms and right hip and also a cerebral concussion. His condition today was listed as good at St. Elizabeth Hospital.

General Steel Gets \$5,000,000 Rail Car Order
The city of Philadelphia has announced the award of a contract for approximately \$5,000,000 to General Steel Industries, Inc., St. Louis Car Division, for 20 all-stainless steel commuter cars for Philadelphia area service.

The new cars, which will be capable of rapid acceleration up to 85 mph, will be equipped with a new type of General 70 cast steel rapid transit truck, with full air suspension, designed and produced by GSI's Castings Division here. The cars will be leased to the Pennsylvania Railroad for operation.

The Philadelphia order is the second awarded to the company within recent months involving the use of stainless steel. In February, New York City Transit Authority ordered 200 rapid transit cars from GSI for New York City subway operation. The New York cars will be of composite construction, combining stainless steel, in combination with other metals.

W. Ashley Gray Jr., GSI president, commenting on the order said: "We are especially pleased to receive Philadelphia's order for all-stainless steel commuter cars. Our car division has been a major builder of aluminum and low-alloy high-tensile steel rapid transit equipment for many years. Now we expect to demonstrate leadership also in the stainless steel market."

GSI recently began delivery on an order of 162 commuter cars — the industry's first — for the Port of New York Authority's Trans-Hudson (PATH) system. Last year the division completed delivery on an order of 400 high-tensile low-alloy steel rapid transit cars for New York City Transit Authority World's Fair service.

would act on other levee districts recommended by its commissions before considering projects of this type. In general, the commission is being given a chance to express its choice.

Bernard Miller sr., said, "I was with some prominent local citizens last night. This bill was passed, and I don't think it was a surprise to me. I'm not familiar with it, but it appears to have a good bunch of people sponsoring it."

Earlier Proposal
Harry Briggs, Nemoled township supervisor, said, "I don't know anything about it, but it may be the same proposal brought up five or 10 years ago when a drainage line was Long Lake was opposed and it was suggested that it could go to Horseshoe Lake instead."

The proposal was a part of the Miracle Master and New Haven area. Edwin Reiske, president of the Tri-City Trades & Labor Council, said the Press-Record has favored the drainage but does not have a definite opinion on financing methods. "The only other way might be state financing, and they never seem to have any money, judging by the delay in developing Horseshoe Lake as a park. If the lake would be dredged and the hillside water beveled to it, the problem might be solved."

State Rep. Ralph Smith (R, Alton) said he plans to speak against the bill when it comes before the House for third reading.

Briggs, Levee Trustee William Elersold and Levee At-Large Harry Hartman were in Springfield yesterday but on other matters.

Petition to Slash Phone Rates Filed
Southwestern Bell Telephone Co. filed with the Illinois Commerce Commission yesterday a petition for elimination of mileage rates and establishment of the Granite City base rate for telephone customers in rural areas around Granite City.

Michael Rafferty, manager of the Granite City office of the telephone company, said about 2000 phone customers will benefit from the proposal which eliminates a charge of 50 cents per quarter mile that is added to the base rate. The action will mean a reduction in the monthly telephone bill of as much as \$4 for some customers in the farthest zone.

W. L. King, district manager of the East St. Louis office, said such a reduction petition automatically is automatic, within a 30-day period.

Benefit Dance Planned To Aid State Park Man
Several local friends of a State Park man, whose legs were amputated in a truck accident May 26, near Effingham, Ill., are completing plans to assist him through a benefit dance. The injured man is Lovader "Junior" Helger of State Park, who had both legs amputated at the scene of the accident.

The dance will be given from 7 to 11:30 p.m. June 17, at the Collinsville VFW Hall. According to his friends, three dance bands have volunteered their services for the event and members of the Collinsville VFW are donating the use of the hall.

21st-Admission Accident
Autos driven by Cecil E. Bullen, Williamsville, Mo., and Margaret K. Cross, St. Louis, collided at 8:30 p.m. Wednesday at 21st street and Madison avenue after she observed a stop sign on 21st street and proceeded across the intersection.

Flower Pot Knocked Over
Someone or something — perhaps boys or dogs — pushed over a large flower pot setting on the front steps of the home of Harold Steward, 2210 Lynch avenue, he reported at 10:10 p.m. Wednesday.

Abandoned Vehicle
Justin Prevett, Alton, was charged Wednesday by Granite City police with abandoning a vehicle and parking it on the wrong side of the street.

learned his son was involved in the murder he broke down and cried. In other testimony he said Kelley had been in trouble with the police on several occasions and that he had gone his last several times.

Kelley also is under indictment for burglary and theft and young Nichols previously was charged with theft.

\$300 for Murder
Both of the younger defendants signed statements claiming that the elder Nichols set up the murder, offering \$300, and that he had considered such action for a long period of time.

Their statements also were used in evidence. When questioned about his own oral statements to Capt. Louis Bowman, chief investigator, and John Gitchoff, assistant state's attorney, Nichols said some were true and others were lies. He said Bowman confused him during the investigation, making him angry. "He lied to me, and I lied to him."

Woman Testifies
The final witness for the state was Mrs. Laverne Purdon, St. Louis, formerly of Granite City. She testified that at a party in her home, Leggett and Nichols' wife were seen dancing and killing in one room while Nichols was in another room of the house. Mrs. Purdon also admitted under cross examination that she had lived with the slain man about seven years.

The principal witness for the state was Bowman, who described the investigation into the murder and the interrogations. Defense attorneys in both cases have 30 days in which to file motions. Sentencing of the two has been deferred by Associate Judge Austin Lewis, who heard the case of the father, and Associate Judge Fred Shuman, who heard the case of the son.

Park Board Favors Old Rink Area

Granite City park commissioners indicated last night they favor the site of the present outdoor ice rink near Fehling road in Wilson Park as the location of the proposed \$350,000 rink facility.

Millon Worthen, board vice-president who presided at the special meeting, said the commissioners feel the new roofed rink could be constructed in that area with minimal destruction of large trees and useable park area.

He said a citizens' committee, working with the park board on the project, had recommended a site near Niedringhaus school. This site, however, would take part of the rightfield area of Wilson Park No. 1 baseball diamond—one of the best playing fields in the area.

The new facility, which will include concession stands and restrooms, will probably be placed before park district voters in referendum form next fall. The board also discussed preliminary figures for the 1965-66 budget and Frank Res, board secretary, expressed hope the final budget will be ready for the board by June 23, the next regular meeting.

13 Undergo Surgery At Local Hospital

Thirteen persons have undergone major surgery at St. Elizabeth Hospital since Wednesday. They are: Nellie Ellis, 2122A Adams street; Alex F. Kowalski, 728 Brown street; Venice; Shirley D. Hot Race Likely in Legion Circuit

A hot battle for the championship of the 22nd District's Northern Zone appears likely as the American Legion teams enter the heavy phase of their 1965 schedules.

Defending champion Collinsville Post 348, previous Highland Post 439 and Granite City Post 113 join as strong contenders for the title.

Two of those clubs meet at 6 p.m. today as Granite City visits Collinsville at Fletcher Field. The second league game for Post 113 is scheduled for 2 p.m. Saturday with Highland at Wilson Park No. 1.

Rounding out the seven-team Northern circuit are entries from Alton, Edwardsville, Glen Carbon and Maryville. The first two clubs also rate consideration as contenders.

Manager Roy Achenbach has nine players back from the 1964 Granite City team which finished second in a 1965 record. Although he currently has the maximum 16 players, Achenbach said roster changes may be made early in the season.

Returning are pitchers Bruce Thompson and Bill O'Neill,

catcher Joe Hauptman, first baseman Larry Johnson, shortstop Larry Dillard, third baseman Bob Karandetti and outfielders Rick Whitsell, Joe Fanning and Gene Bryant.

New players are pitchers Bill Evans and Doug Winfield, catcher Chuck Mizerski, infielders Steve Fraker and Larry Ripka and outfielders Nick Jakich and Vince Debeve.

All have played baseball with the Granite City high school varsity, although Debeve turned to track this season where he

Simpson also has lefty Tom Calza from the high school team. Third baseman Jack Darlington is one of the top hitters for Collinsville, which nipped Alton 5-4 in its opener.

Wayne Wirtz' Highland team has been bolstered by ex-Lebanon moundman Dean Burk and Greenville's Mike Weber. Burk, who recently moved to Highland, stands about 6-6 and has been one of the top prep pitchers in the area. Weber had an outstanding record for Greenville high and pitched a no-hitter in the

regional tournament. Highland also boasts several players from the Midwestern Conference championship team including Dan Yarn, John Spengler and John Duff.

Collinsville Post 126 team has taken several players from the high school team which tied Granite City in a 1965 season. The Southern Zone title this spring and western title this summer must be considered in the running. Edwardsville Post 199, S. D.

Collinsville's chances hinge on the decision of new right-hander Harry Parker, who was picked by the St. Louis Cardinals in the winter league's first player draft this week. He can either stay with the Legion or accept a University of Illinois baseball scholarship or sign with the Red Birds' Tulsa team. Beyond Parker, manager Mel

Mathews Club Booked Here This Weekend

Mathews-Blue Circle, 8.8 for the season, has scheduled two doubleheaders this weekend at Wilson Park.

The men's softball team, a joint effort of St. Louis, O'Fallon, and Adams County, will play the St. Louis Cardinals Saturday and Adams County Sunday at Wilson Park. Both twin bills start at 7:30 p.m.

MBC's downed Ballwin 4-0 last night in the St. Louis Class AA League on Mel Tipton's three-hitter. The club has a 2-2 record in the league.

Tipton, who faced only 23 batters, walked one and struck out three. He was aided by two double plays — one on Danny Reilly's catch of a fly ball and another on home in the fourth inning. Ballwin had runners on second and third at the time.

In his first run came in the top of the first when Dick Cright singled, went to second on an infield out, to third on an error and home on a wild pitch. In the fourth, Roger Smith's single, an error and Tipton's single accounted for the second run.

MBC's S-squad went to work for two runs in the sixth. Smith and Vince Saputo both doubled. Vern Stout singled and Bob Siegmeyer hit a sacrifice fly. Score by innings: MBC 100 102 0-4 8 0 Ballwin 000 000 0-3 3 3 Tipton and Saputo, Reilly and Glasser.

Maxvill, Film Here Tonight

Dal Maxvill, who played a key role in the 1964 World Series, will make a personal appearance when the official Series film is shown tonight at Wilson Park.

Harold Brown, director of parks and recreation, said the film will be shown at 9 p.m. at 27th street and Delmar avenue in the park. The Granite City infielder will make a short talk before the showing.

Brown issued a special invitation for players in boys' baseball leagues to attend. A movie on the Granite City park district will follow the World Series film.

Scholarships Go To 4 More on GC Grid Team

Four more football scholarships have been awarded to Granite City high school players, according to coach Jim Morrison. Co-captain and guard Jerry Lybarger has been awarded a grant to Missouri Valley College, Marshall, Mo. Three others — halfback Nick Pettilo, quarter-back Doug Winfield and tackle Chuck Mizerski — are headed for Penn State College, Penn. State. Former GCIS players at Missouri Valley have included Ron Hall, now with the professional Boston Patriots.

Grid scholarship winners previously announced were tackle Jerry Line, University of Illinois; end Joe Hauptman, University of Missouri; center-tackle John Evenden, University of Iowa; and co-captain and guard Ernie Kern, Southeast Missouri State College, Cape Girardeau, Mo.

Morrison added that halfback Mike Mounce, who will attend Southeast Missouri State on an art scholarship, also plans to play football.

State Golf Meet Slated at Alton

Lockhaven Country Club near Alton will be the site of the Illinois State Women's golf tournament June 21-25. The 32nd annual amateur event is sponsored by the Illinois Women's Golf Association.

Women eligible include all players with a handicap of scratch through 36, residents of and "overwork" training with Illinois and whose club, public or private, is a member of the association. Entry blanks must be submitted by 4 p.m. tomorrow.

For the first time, the annual junior tournament will be match play. The senior women will play an 18-hole qualifying round June 21, then begin match play the next day.

Miss Lois Drake of Timber Trails Country Club is defending state champion. Miss Dee Whitlow of Peoria is the 1964 junior state champ.

Big Turnout Greet Paddlers Swim Coach, 'Killer Week' Is On

A big turnout of 112 swimmers greeted coach Keith Parker this week as the Paddlers Swim Club competitive team began its training in Granite City.

The week's practice schedule calls for isometric calisthenics, endurance swimming, running and "overwork" training with gym shoes and sweatclothes to give added stress to the physical work.

The swimmers call this "killer week" but Parker said most of the candidates reported in good shape for the workouts.

Parker expects to have one of the strongest 15-17 age groups in the Southwestern Illinois Swimming Association when Jim Dunn (outletter), Bob Malotki (freestyle and relays), Mark Dutter (breaststroke and diver), and Kelly Hagan (backstroke and diver) report.

GCIS Football Change

Burckhardt Resigns, Missouri Ace Hired

Larry Burckhardt, assistant football coach for past three years at Granite City high school, has resigned to accept a teaching and coaching position at South Broward high school, Hollywood, Fla.

The school board named Tom Wyrostek, University of Missouri football star, to replace Burckhardt on the football staff and as physical educational instructor at Lake elementary school.

Walt Whitaker, who has been wrestling coach at Prather junior high school, was appointed to Burckhardt's vacated junior varsity wrestling post at the high school where he will also teach physical education.

Russell Johnson, superintendent of schools, said "Whitaker's appointment fills all physical education vacancies at GCIS. This apparently means the new junior varsity basketball coach, who will assist new head coach Ralph Sackett, cannot be a P.E. teacher.

Johnson said the athletic planning is being done by himself and athletic director Dick Yates in consultation with the school principals and head coaches.

Wyrostek, who was graduated from Mizou this month, was a three-year letterman at guard under coach Dan Devine. He was named to the all-Big Eight team and this year gained All-America honorable mention.

"We're pleased to have him," head coach Jim Morrison said of the former East St. Louis high school star, "but we hate to lose Burckhardt—he was a real original thinker out there."

Burckhardt attended GCIS until the end of his junior year, then transferred to Rosanna high school where he starred in football, wrestling and track. He was a four-year letterman in football at Missouri Valley College where he was graduated in 1960. Before returning to GCIS, he coached two years at Parkville (Mo.) junior high school.

Morrison said Wyrostek will replace Burckhardt as varsity line coach. He said head sophomore coach Leon Chappell was given the opportunity to move up to the varsity level, but declined his work with the sophomores to be of more value to the overall football program.

Burckhardt joins ex-Coolidge junior high school coach Bob Ward at South Broward. Ward resigned last year to become physical education coach at Straffen high school in Straffen, Mo.

Biggest Youth Crop Ever Competing For Summer Jobs

Efforts by President Johnson and others to encourage summer jobs for youths are aimed at a potentially serious shortage of work opportunities. The potential is there because of the size of the "postwar baby crop" 16 to 21-year-olds; half of America's unemployed this month are in this age group.

Between 1950 and 1960, an entire decade, the number of 18 and 19-year-olds rose by 300,000. In 1965 alone, 1,065,000. Current civilian labor force in the 16-21 bracket totals 11 million.

The U. S. Labor Department estimates that over two million American boys and girls will fail to find work of any kind this summer, but points out that voluntary efforts by home owners, businesses, organizations and other employers could materially reduce this figure.

JUNE 11, 1915
After a period of one year, wherein residents of Stallings had to come to Granite City to receive the U. S. mail, service has been discontinued.

When Postmaster Mooe, one of the venerable residents of Stallings, died a year ago, one could be found who cared to act as postmaster, and the service was discontinued.

Postmaster William Champion of Granite City was largely instrumental in securing the new route to Stallings and vicinity, and it is receiving the thanks of the patrons in that area for his work in their behalf.

The 137th anniversary of the adoption of the Star and Stripes as the national emblem of the United States will be observed throughout the country next Monday, June 14, 1965. The day is a national holiday and is observed in various ways of the day will be held.

Mayor J. C. Steele of Granite City, Illinois, is planning to observe the day by having a parade through the city. He also has asked the Press-Record to inform the people of the community to fly the flag from house-top, in front of stores and from restaurants.

Instead of fighting for the flag Monday, as other nations are doing, we should all have respect it.

Riverfront Road Needed Long Before Five Years

Talk of a five-year wait before extension of Federal Aid Route 151 through Granite City was a disappointing development during the right-of-way hearing held in this place, June 6, 1965.

The state highway division ought to do all it can to ease access problems created for individual property owners and to assure safety for children reading near the expressway route. But these steps and purchase negotiations should require anything close to five years—a delay much too great in view of the importance of the riverfront road to Quad-City traffic flow and to harbor and industrial development.

New Credit Corporation Will Foster Business Development

One of the most farighted steps taken by the Illinois General Assembly so far this year has been its passage of legislation permitting formation of a state business development credit corporation.

The corporation will provide a means to pool private funds for business loans when credit from conventional sources is unavailable for various reasons. This is expected to encourage growth of firms already located in Illinois and to stimulate the location of new plants—creating new jobs and strengthening the foundation for continued prosperity.

No government money is involved, and the program will supplement rather than replace existing sources of loans. The broad base of support for the credit corporation testifies to the wisdom of the plan.

We would not dispute a General Services Administration contention that it is offering one of the best buys in the business of the year—a concrete-lined, 160-foot-deep missile silo, which it says could be converted into a comfortably cool residence. The GSA has not merely one but 148 of these silos, and it is offering them for sale at a price which suggests that for one of the very hottest days of the summer before Uncle Sam tries out his sales talk.

PEP PILL PROBLEM—UNSUPERVISED USAGE

With all the fame and fuss about pep pills lately, you may wonder why they are on the market in the first place. The fact is—and this may surprise you—so-called pep pills help doctors in the treatment of a variety of medical problems. Technically, pep pills belong to a group of drugs called psychomotor stimulants. In other words, they stimulate the brain and nervous system to work overtime.

For this reason, they should not be used unless prescribed by a physician. If you use them under his observation to guard against adverse reactions.

When given pep pills, many patients with severe emotional and mental disorders are able to "come out of their shell" and establish temporary contact with reality. During this period, the doctor is better able to begin psychiatric and other essential treatment.

Suppress Appetite

Certain classes of pep pills have a kind of built-in bonus action—they suppress the appetite. This is doubly good news for the doctor, because it keeps his craving for food, but remains alert and in good spirits while adjusting to his reduced food intake.

You may not know it, but the old nicknames attached to pep pills actually came close to their scientific names.

A "Benny" for example, is the street name for amphetamine, a name for a compound frequently used in stay awake preparations. "Dexies" is hipster talk for Dexedrine, a frequently prescribed pep pill by your doctor to control appetite.

Perhaps the most common of all stay awake preparations contains nothing more than plain caffeine, the same as you get in a cup of coffee.

Hazard of Overdose

Like anything else, pep pills get their bad reputation from bad use. When taken in overdoses and without medical supervision, they can stimulate your brain to a point where you become so "high" you lose control over your rational and moral behavior.

In this abnormal condition, any action you take—even one as simple as driving a car—could be performed—perhaps without recollection or remorse. What's more, pep pills are habit-forming, and when they let you down, they let you down HARD. You may feel awake and alert, but the pills only mask exhaustion that could lead to physical and nervous breakdown.

Because of certain undesirable side effects, pep pills are dangerous, particularly for persons with epilepsy, high blood pressure or glaucoma on steps leading to the basement of the house. She said a screen also was damaged.

TV NO SUBSTITUTE FOR MOTHER GOOSE

As junior high program director at the "Y" and as the mother of three teenagers, I find the "Y" program very helpful. My 10-year-old son, who is a member of the Y, has been very helpful in the nursery crowd. What is new with the two-year-olds these days? They are being taught to read. I have seen a two-year-old who would like to make the trip.

"What do you read to your child?" I asked a young mother recently. "Nothing," was the answer. "He watches TV for most of the time—that way I get my work done."

Mother Goose, where are you? Not so long ago when my children were young, you were so dependable to help young mothers who were so young and so inexperienced. I wish you were here today.

COMMENT RECALLS LINCOLN STATEMENT

To the Editor:

I am intrigued by a recent letter in The Forum written by Christ Costoff, alderman at Madison, who said in part, "I want to thank the people who voted for me, and to the people who did not vote for me I would like to say that I am the alderman, too, etc."

Sounds like Mr. Lincoln in 1848, when he said, "I am elected to Congress I shall serve all the people, those who voted for me and those who did not vote for me." Needless to say, he was a great man.

So, congratulations Mr. Costoff, you are in good company.

50th Anniversary Celebration
About 70 guests were greeted by Mr. and Mrs. Arthur Niedhardt on the occasion of their 50th wedding anniversary, which was observed this week with an open house given in their home, 1689 Second street, Madison.

Both are 70 years old. Residents of Madison for many years, the couple was married in Hartsville, Ohio, in 1915. They have one son, Arthur Niedhardt Jr., of Madison, three daughters, Mrs. Leota Wakeford and Mrs. Margaret Lewis, both of Granite City, and Mrs. Capita Lee of East Alton, 16 grandchildren and five great-grandchildren.

Before retiring a few years ago, Mr. and Mrs. Niedhardt operated a grocery store in Madison for 20 years. Previously Mr. Niedhardt was employed by a railroad.

INSTALLATION DANCE
Women of the Moose-Lodge 272 will install officers at 6 p.m. Saturday at the Moose home with a luncheon following and dancing beginning at 9 p.m. Mrs. Gladys Markovich will succeed Mrs. Marian Lipcumb as scenic regent.

Douglas Thompson of Winona, Mo., visited during the weekend with his aunt and uncle, Mr. and Mrs. Jerry Berger.

Mr. and Mrs. Leroy Fitzgerald and daughter, Theresa, went to Baldwin, Mo., for a visit and returned Sunday. They saw his brother and aunt and uncle.

Mr. and Mrs. Charles Mooneyham of Aurora, parents of a seven-pound, three-ounce boy born May 28, have named him Charles Miodie. Mrs. Mooneyham is the daughter of Mr. and Mrs. Alan Adams.

Bend Road Baptist Church is holding Bible school from 6:30 to 8:30 p.m. daily. All children are being invited and Rev. Parrem will provide transportation.

Industrial Sites Needed

GC to Oppose Expansion Of Lewis & Clark Park

Granite City council members agreed Monday night to oppose the expansion of Lewis & Clark state park to the south where it might infringe on future industrial development along the Chain of Rocks canal.

A resolution of opposition, suggested by the Tri-City Regional Joint District board, is to be prepared for adoption and copies will be sent to Gov. Kerner, Eugene Graves of the state Economic Development board and to Chambers of Commerce in Madison county.

In a letter to the council, Carl A. Ranft, chairman of the Port Board, pointed out the area along the canal is earmarked for industrial development which could be blocked if the park is expanded as proposed by the Wood River Chamber of Commerce. Ranft pointed out that industry along the canal would be far more beneficial to residents of Madison county. He suggested the park be located immediately south of the Hartford diversion canal at the Mill Creek.

THIS I BELIEVE

United Pentecostal Church holds each and every truth taught elsewhere. United Pentecostal Church holds extra truths not taught elsewhere. All of truths hereinabove referred to are truths right out of the Bible. It is impossible to be lost if one follows the teachings of THIS CHURCH. Every basic belief is Scriptural. No mere superstitious traditions, have any place in true Bible Faith. If you wonder about that deep religious dissatisfaction that you feel, you owe it to yourself to find real Salvation.

Summer Projects Include Portable Classroom Units

Summer work totaling about \$100,000 was authorized Monday night by the Granite City school board, which included in the purchase of two \$50,000 portable classroom units for St. James school and expansion of a high school athletic field expansion and ticket stand to include restrooms.

At GCIS, two corridor door openings will be widened, several doors will be replaced, anti-rust fluorescent lights will be installed, the athletic track will be widened, roof gutters repaired and new boards installed on bleacher seats.

A partial list of other projects includes: Cooling junior high ventilation improvements and plastering. Central junior high new cafeteria hot water tank, Emerson school stair remodeling, Frohardt, new ceiling in multipurpose room. Mitchell, new blacktop across south and north of building, Nemoak, partition and lights for classrooms in cafeteria. Nemoak, new construction, \$10,112 building fund, \$26,117 cafeteria fund and \$26,834 bonds and interest. Salaries for May amounted to \$408,757 in the education fund and \$4872 in the building fund. Travel allowances totaled \$1180.

Also planned are truck and tractor repairs, painting, mowing, insecticides, asphalt patching, new fire extinguishers and glass and glazing materials for replacement work.

Action on Bids

Bid awards were voted in eight categories of supplies and services: industrial arts supplies, \$16,044; purchases from 30 firms of \$42 to \$225; furniture, \$9,005; five firms \$424 to \$414; typewriters, \$3638, including \$2688 from Underwood-Olivetti; \$880 from Triangle Typewriter.

Holy Trinity Church To Hold Celebration

Holy Trinity Bulgarian Eastern Orthodox Church, 1309 Grand avenue, Madison, will celebrate "Name Day" Sunday, in honor of the Holy Trinity.

The Liturgy will be conducted at 10 a.m., followed with a banquet at the church beginning at 12:30 p.m.

music equipment, \$3474, including Johnson Music, \$3416 and Lyons \$28; floor glides, \$241, including Cannel Co. \$134 and Buxton Skinner \$106; pipe and fittings, source to be Siderer Supply Co.; plumbing fixtures, source Ahrens & McCarron (four of five items lower in price than a year ago); and floor tile, sources for various types to be Economy, Belleme Tile and S & S.

The board rejected five cafeteria sink bids as too high. It was reported that "Operation Head Start" instructors' pay will be on the same hourly rate as that paid to teachers in the regular summer school. It was feared earlier that there would be a wide difference in the salaries.

Bills totaled \$38,062 in the educational fund, \$19,736 transportation fund, \$4365 new construction, \$10,112 building fund, \$26,117 cafeteria fund and \$26,834 bonds and interest. Salaries for May amounted to \$408,757 in the education fund and \$4872 in the building fund. Travel allowances totaled \$1180.

Get Whole ROOM or Whole HOUSE Comfort With A NEW '65 NORGE Air Conditioner

FROM FREDMAN BROS.

WANT TO COOL A CLOSET? That's right! Unless your planning to cool a doll house or a closet you had better get an air conditioner that's powerful enough and puts out enough cool air to cool a normal size room. A car that operates on less horsepower will still get you there, although not as fast. But an air conditioner that puts out less BTU than is needed just won't do the job, no matter how long you wait. So don't get fooled into buying a unit that's too small to do the job when Fredman Bros. can offer you a quality Norge with full cooling power for just pennies a week or more.

YOU GET ALL THESE QUALITY FEATURES AT FREDMAN BROS. BUDGET PRICES!

Inhalator Truck Goes, But Service Remains

The Granite City fire department plans to dispose of the old 1947 model inhalator truck, in service in West Granite, but it is informing West Granite residents today that it is not foregoing the usual inhalator service.

Because of the unreliable condition of the truck, the inhalator unit is being transferred to the West Granite fire pump, and will be operated from the pump house. The inhalator truck will be disposed of, Chief Fronnager said.

Nameoki Right-of-Way Cases Nearly Complete

Preparation of condemnation reports necessary for acquiring land needed for the Nameoki road improvement project has been completed by the Illinois state highway district right-of-way office with exception of obtaining final information on a tract of land involved in the Coolidge junior high school situation and three other cases which may be settled without condemnation.

Arthur Kettenhofen, district right-of-way engineer, said the report on 18 tracts is complete except for the filling in of the names of the litigants involved in the junior high school case and title information in the three other cases in which the owners have agreed to sell without condemnation. This information can be supplied only by the title company and the highway department is forced to wait until it is provided, Kettenhofen said. If the title information in the three individual cases is available, the cases will not have to be included in condemnation.

George Webb, 88, of 2311 Hedges avenue, died at 8 a.m. Wednesday at home. Death was due to infirmities. He had been ill several years.

Mr. Webb, who was born in Coolville, Ill., was a resident of Granite City 65 years. He was a retired core setter for General Steel Industries, Inc.

His wife, Mrs. Catherine Webb, died in 1964. He is survived by five grandchildren, George Webb, of Caveville, Mary Ruth Webb of Collinsville, David and Daniel Knight and Mrs. Davine Miller, all of Granite City, and 14 great-grandchildren.

Funeral arrangements are given in today's obituary column.

Driver Pleads Innocent

Michael J. Kriegl, 45, Alton, pleaded not guilty to a charge of driving with a learner's permit rather than a license before Magistrate Hiscott who set bond at \$100 cash or \$1000 property Monday pending a hearing on July 12. Kriegl was found asleep in a wrecked auto at 6:15 a.m. Sunday at 3928 Nameoki road where it had broken a telephone pole.

Marriage License Issued

Two Granite City couples obtained marriage licenses this week from Mrs. Elvira Thibault, deputy marriage license clerk. They were Stanley R. Barnes, 2154 Logan street, and Miss Barbara J. Ficker, 2607 Cayuga street; and David M. Bousso, 7 Terrace lane, and Miss Judith C. Stiegelmeyer, 1816 Spring avenue.

Car Hits Utility Pole

Robert L. Hays, 1501 Edwardsville road, told police that he was forced off the road at Patton road at Vine avenue, lost control of his car and struck a utility pole at 4:35 p.m. Tuesday. Neither he nor three passengers was hurt.

Air Conditioning
by
Southaire*

For pennies a day (because Summer Air Conditioning is so economical), and without attention (because Summer Air Conditioning is completely automatic), and quietly (because the weatherproof compressor is away from living quarters), and air discharge is directed away from your house), and invisibly (because its compact design fits neatly into your furnace, with a low-profile condenser that's easy to hide away near the foundation or other convenient spot), your family can enjoy real hot-weather comfort.

Its constant supply of cool, dry air removes excess body heat and moisture. You eat better, sleep better, work and relax better with less strain on your heart — when your home has summer air conditioning.

Glasses Lost or Stolen

Orbie Lemons, 1840 State street, reported at 10:20 p.m. Monday that her prescription sunglasses were lost or stolen while she was in a downtown store at about 6:30 p.m. Monday. They have black round frames with rhinestones on the outer edges.

Never anticipate tomorrow's troubles and those of today won't be half so burdensome.

Teen Party Arrests

Police were called to a "wild party" at 3:40 a.m. Wednesday in the 6300 block of O'Hare avenue, and took into custody two youths. Harold Hill, 18, of 2312 O'Hare, was charged with creating a disturbance, resisting arrest and intoxication. The other, 16 years old, was turned over to his parents.

Speeding Charge Filed

James L. Sparks, 1875 Spruce street, was arrested Wednesday on a charge of speeding at 15th street and Madison avenue. A hearing is set for June 21.

Times Changing--So Must Policy, Rotarians Told

It is important that business men recognize the fact that times are changing and that while it may be difficult to do so, changes in policy must be made to meet the situation. Miss Lillian Green, executive assistant to the president of Granite City Steel Co., told a luncheon meeting of the Granite City Rotary club in the YMCA Tuesday.

Speaking on the topic "The Great Society," Miss Green outlined modern changes in the economic world and said the basic trend of business is upward and that "technology -- the knowledge of how to do things -- is the important thing today."

"The expense of the last 15 years of research is just a beginning," Miss Green said. Referring to statements by President Johnson that a recession will not be tolerated, Miss Green asked: "How do you eliminate a recession? I don't believe you can eliminate recession but you can minimize it. One of the methods is for the government to get money in the hands of the individuals."

To Minimize Recession She said that "no one can avoid a recession or cooling off period -- they must move in advance and the 24-billion-dollar cut in excise taxes was just that, an advance move to minimize the possibility of recession. The consumer gets more from tax cuts than by any other plan."

Miss Green said that government recently has been holding out an incentive to business and that business now is earning more than it has at any other time. She predicted a continued budget deficit because the government frequently creates an intentional "fiscal drag" building up an excess of several billions which it can spend by cutting taxes.

"Another tax cut in 1966 should be a particular surprise to you," she told her listeners.

The club installed two new members, Herbert Fechner of the Nestle Co., and John J. Polson of Granite City Trust & Savings Bank.

The Venice school board Monday night, accepted a \$28,277 bid by Elmer D. DeLoe, Granite City contractor, to erect a 49x35-foot one-story brick annex to existing garage facilities adjacent to Venice grade school.

Work is to begin immediately. It will house the district's administrative personnel and will include a 23x15-foot board room, three 11x15 offices, two washrooms, a 7x6-foot utility room and 8x13-foot vault, plus storage and work space areas.

The bid price includes installation of a four-ton air-conditioning unit, a gas furnace, wall paneling and plumbing fixtures. The contract was first awarded to the Venice firm of Foley and Daulton on a low bid of \$25,428, but later in the meeting the Venice contractor returned and asked to withdraw his bid. Foley said he had neglected to include labor costs, which he estimated would increase his bid by about \$400.

Both contractors were present for the bid opening, but left immediately afterward. After Foley requested the withdrawal, Leo Davanny, building committee chairman, contacted the Granite City contractor by telephone and notified him of the board's decision.

Faculty Awards Supl. John O. Pier submitted a list of faculty members who have qualified for a bonus award of \$50 for each semester of perfect attendance. The bonus program was initiated by the district last year, and use of sick leave does not count against the record.

Those who qualified for \$100 bonuses were: Robert Vickers, Linda Washington, Robert Vickers, Ronald Ganschmeitz, James Greig, Thayne Rankin, John Rust, Laura Uffers, Hattie Utley, Zahn Wells and Barbara Williams.

Faculty members granted \$50 were: Lewis Salin, Patricia Mosley, William Ohlendorf, Margaret Beidle, Helen Puckette, Lena Rush, Hazel Smith, John Packberry, Robert McKinney, Althea Cross, Omar Butts, Josephine Davis, Jack Gilmore, Morene Gresham, Robert Hendrickson, Alice Purdes, Mattie Richard and Juanita White.

Mr. Mrs. Wells Resign Resignations were accepted from Mrs. George A. Burns, head cafeteria cook, who gave health reasons, and Zahn J. Wells and his wife, Cleo, who have been employed at Venice for the past 20 years.

It was decided to eliminate the jobs of two part-time women janitors at Lincoln high school. The board voted to retain three full-time male custodians assigned to the same school.

Supl. Pier was authorized to have 236 textbooks re-bound at \$1.50 a book and to seek prices on 75 combination locks for new lockers recently installed in a balcony area.

Rotary Business Session

Madison Rotarians held a brief business session yesterday, adjourning early to enable members to complete in golf with Granite City Rotarians. Final plans were made for a 40th anniversary banquet June 16.

Walton Back in Office

Dr. E. W. Walton, local chiropractor, resumed his office duties this week after recuperating from hip surgery. He was hurt in a fall at the YMCA last month.

Plan Junior Coin Club

The Land of Lincoln coin club, which is preparing to form a junior club, will welcome non-members up to age 18 at a semi-monthly meeting at 2 p.m. Sunday at the YMCA.

Roca Club to Tour
Alton State Hospital
The Roca club made plans to tour the Alton State Hospital next Wednesday morning during a meeting Tuesday night.
It was reported that the club's

softball team defeated Granite Sheet Metal 7-3 last night. The club is sponsoring summer band dances at 8:30 p.m. Tuesdays at the Moose Hall.
Money will not pay a debt of honor, nor can a deed of honor ever be bought.

Approve Master Plan, Bus Pact
Expenditure of \$985 in school funds toward the \$2500 cost of a two-year planning survey was authorized Monday night by the Granite City school board. Federal taxes will provide the other two-thirds.
The survey is to be conducted by the Southwestern Illinois Metropolitan Area Planning Commission to update the comprehensive Granite City plan prepared in the mid-50s. The city, park district and housing authority will finance parts of the study which refer to their operations.
Phase I, in 1965-66, will cost the school district \$425 and will include base map, land use, a survey of the physical plant, staff and enrollment, building and site standards and existing needs. The \$360 school phase II in 1966-67 will consist of land use analysis, population and enrollment reports, future building and site needs and revisions of the 1957 school plan.
The board voted to retain pupil transportation service by the Bi-State Transit System during 1965-66 at \$912.25 a day or a total of about \$160,000 a year. Supt. Russell D. Johnson estimated the yearly cost at \$360,000 more in the past year, reflecting employee salary raises.
A \$910.16 daily figure quoted by Ladue Local Lines after the Bi-State bid was announced was not accepted because the firm would not own the buses that would be used here and might

Construction Begins On Downtown Building
Construction was started yesterday on a one-story, \$125,000 replacement building at 1310-14½ N. Broadway avenue, across from the old post office. The former two-story structure was gutted by fire last November.
H. D. Karamoff, owner, said today that G. H. Stenberg & Co. was awarded the general work; Amesco Plumbing Heating Co. the plumbing, heating and air-conditioning; and Huxel Electric Co. the electrical work.
The new structure will be 9x10 feet, and will include areas of 20x20 and 40x20 for J&R Motor Supply Co., a 22x25 foot area for a restaurant and 20x20 foot area for another store.

not be able to complete its purchasing and hiring in time for the September term.
At the suggestion of Royce Timmons, the board will seek transportation bids earlier next year. Robert Oriskany asked that the building include three-year as well as one-year proposals, since the Ladue firm noted that a long-term contract would be helpful in offsetting equipment costs.
Supt. Johnson said Bi-State has "provided excellent service, knows the territory and its problems and has a mobilized supervisor on the road at all times. Ladue may have these added services but would have to have a period to adjust."

Virginia Wingo Sunbeams met Sunday at Second Baptist Church. Mrs. Charlene Sanders, leader, and Mrs. Betty Lewis led a study of big cities. Each child made a replica of his home and placed it on a table with cut-out figures representing families and helpers. Prayer was given by the Sunbeams, and songs were enjoyed. Ten attended.

Bob Wonnack Sunbeams met Sunday at Second Baptist Church with Mrs. Arlene Smith. Each child made a litter bag for the family car. About ten were present.

Tv Set Falls on Boy; Girl Breaks Elbow

A portable television set fell on a boy, injuring his nose another boy was bitten by a hamster and a girl fell from a bike as St. Elizabeth hospital's emergency room gave treatment for injuries from three mishaps Tuesday.

Kenneth Crawford, nine, son of Mr. and Mrs. Forest Crawford, was sitting close to the TV set, which he was adjusting with his feet under the stand. He kicked the stand, it collapsed, and the set fell on him, causing bruises to his nose. X-rays were negative and he was released.

Lisa Smith, six, daughter of Mr. and Mrs. Duane Smith, 3017 Myrtle avenue, was admitted with a fractured right elbow after she fell off her bike.

Anthony Staveley, 11, son of Mr. and Mrs. Robert Staveley, 2428 Ohio avenue, suffered a puncture to the left little finger when bitten by the hamster.

Mrs. Johannah Lampe, 81, Dies of Cancer

Mrs. Johannah M. Lampe, 81, of 2231 Washington avenue, died in St. Elizabeth Hospital at 1:15 a.m. today, following an illness of seven months of cancer. She had been a patient in the hospital five weeks.

Mrs. Lampe was born in Edwardsville and had been a resident of Granite City 26 years. She was a member of St. Peter United Church of Christ, a member and past president of the church's Afternoon Guild, and a member of St. Peter's Christian Fellowship Club.

She is survived by her husband, a custodian at the Granite City high school, Paul F. Lampe, a son, Neil P. Lampe, of Granite City; four brothers, Frederick, John and Robert Merkel of Edwardsville and Norman Merkel of Caseyville; a sister, Mrs. Harold (Emily) Schwehn of Edwardsville, and her mother, Mrs. Stella Merkel of Edwardsville.

Funeral arrangements are given in today's obituary column.

Levee Board Orders Start Of Sewer Plant

Additional work orders for construction of the Lansdowne sewage treatment project were issued yesterday morning at the monthly meeting of the East Side Levee & Sanitary District board of trustees in East St. Louis.

The orders were issued to Joseph P. Keeley Contracting Co. for the force main which will extend from the main plant near National City to Bremen street in Venice and to the Reese Construction Co. for the Venice pumping station.

The \$2 million Lansdowne project will serve Madison, Venice and other communities in the northern part of the district as part of the overall water pollution abatement plan for the Mississippi River. The southern part of the district is served by the Cahokia plant, now in operation.

Several cities in the levee district, such as Granite City and East St. Louis, have decided to build their own treatment facilities.

A. L. Kraemer, chief levee engineer, said he does not know when construction will begin. The start depends on how quickly the contractors can assemble the necessary equipment and materials.

Nameoki Tax Collections Begin; Deadline July 2

Collection of Nameoki township taxes started Tuesday at the Granite City Trust & Savings bank where taxpayers may make payments during regular daily banking hours through July 2.

Gene Rotter, township collector, said collections will end on that date to give his office time to balance the books before returning them to the county treasurer's office within the prescribed 30-day period.

Nameoki township tax bills this year total \$1,100,354. Bills went into the mails last week.

Collection of Granite City and Venice township taxes are to start next Monday, Granite City taxpayers will make payments at the office of E. R. "Doc" Rader, city treasurer, in the city hall.

Venue township taxpayers will make payments at the southeast corner of Fifth street and Madison avenue, in Madison, according to Town Collector Frank Fiedler.

The total tax bill for Granite City is \$6,307,978, while Venice township taxpayers have been billed for a total of \$2,452,615.

Collection of \$844,380 in taxes in Chouteau township is under way. Payments may be made in the township office at Mitchell

and at the home of Charles Lechow on the old Alton road.

Council Studying Proposal To Hire Six Firemen

Expansion of Granite City's fire department by adding six firemen was proposed during Monday night's council session by Alderman Johnson, fire committee chairman, who said the city soon will be getting a new piece of equipment and that added personnel could cut fire insurance rates in the city.

Further study is to be given the proposal as the council gets into preparation of the city's 1965-66 operating budget. The added salaries would amount to \$37,440-a-year. The city is to receive a snorkel type fire truck from Granite City Steel Co. in exchange for the streets and alleys in the "behind-the-mill" area.

Johnson said seven men are urgently needed the seventh to fill the vacancy created by the retirement of Chief King. Approved was Johnson's recommendation that the \$5200-a-month salary of a fireman be used to hire off-duty firemen to fill in for vacancies until the Board of Fire and Police Commissioners can conduct an examination to fill the vacancy.

The chairman pointed out that Mayor Partney had ordered outside jobs for city employees.

Also approved was a call for bids for an air-conditioning unit for the office of Fire Chief Stuck on the right ear with a

5 'Head Start' Classes to be Formed in Venice

"Project Head Start," a pre-school training program for underprivileged children, will be conducted at Venice grade school this summer, it was decided Monday evening by Venice school officials, who heard the program outlined by Rhy Dragic, Madison county resident superintendent of schools.

Dragich reported the nationwide early development program will be 90% financed by federal funds. Funds are being obtained through the newly organized Madison County Economic Opportunity Commission, with the remaining 10% provided by local school districts in funds, services or facilities.

Those who qualify will participate include youngsters five years of age who have not yet attended school but who will enter kindergarten next fall. All children meeting the age qualifications who reside in government housing projects are eligible to enroll. Dragic said, plus others.

**New Census, Redistricting
Of City Being Opposed**

Opposition to the proposed new census for Granite City this year was voiced Monday night by Alderman Moerlein, who said that if voting precinct confusion is to be ended on city-township election days, the city will have to accept the precincts established by the county board of supervisors.

"And the county board doesn't need the census. It's a waste of money and we might lose a ward," Moerlein said.

City Atty. Allen was instructed to prepare the data needed by the U. S. Census Bureau and Mr. Partney was asked to name a citizen-committee for redistricting the city's precincts and eight wards.

Cost of the census was pegged at \$8006 in a letter from the Census Bureau to the mayor. The city must make a down payment of \$2820 and supply 21 city maps marked with any amendments occurring since the last census in April 1960.

In 1955 the census cost \$4458 and the city added about 5000 population.

The great variances in present ward populations, estimated at 3000 to 5000 persons in the smallest downtown wards to 12,000 in the giant Sixth Ward were stressed. Sixth Ward Alderman Moerlein commented that people had "taxation without proper representation."

Chamber Opposes Park Proposed On Industrial Sites

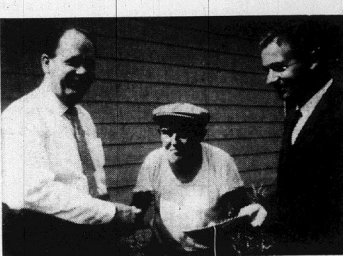

The Tri-Cities Chamber of Commerce board of directors yesterday opposed extensive enlargement of the Lewis & Clark Memorial Park located on the Hartford Canal at the Mississippi River.

A resolution related that the Chamber "opposes the development of the Lewis & Clark Park as proposed by the Citizens Committee."

"It is our belief that the monument and some small acreage surrounding same should be preserved for its historical value, but we further believe that the needs of this area would best be served by the development of the remaining lands as industrial sites."

The Lewis & Clark Society of America, Inc. of Wood River has proposed expansion to include 550 to 750 or more acres. The Chamber noted that this would not only remove numerous prime sites from proposed industrial development — curtailing rather broadening the local job base — but also would bar river shipping access at the northern end of the Chain of Rocks Canal, regarded as essential to attract plants in that area.

At present, the parksite consists of less than an acre, with about three acres in actual use.

QUARTER OF BEEF prepared by Troy Frozen Foods Co. is to be presented to Emmet Huth (center), 930 Alton avenue, Madison, by electrical appliance dealers of this area, who are participating in an Illinois Power Co. refrigerator-freezer sales program. E. R. Applegate (right), IPC promotion supervisor, presented the beef certificate, first major Lucky Key Jamboree award. The winner was congratulated at yesterday's presentation by James Perdue (left) of Perdue Furniture Co., where Huth entered the contest. Entry blanks are enclosed with residential customers' electrical bills, and other awards will be announced weekly during the next three weeks.

YMCA Youth Dept.

Plans Trips, Films During Summer

The YMCA youth department is planning a full summer program of special events as trips, hikes and films.

About 12 to 15 field trips, along with a weekly schedule of educational and recreational type motion pictures and several other production entertainment features, are being arranged.

Sam Platt, a teacher at Louis Roper school and a special events director for the "Y," announced that the first field trip will be next Wednesday to the planetarium in St. Louis.

The program is entitled "The Exploration of Space." Registration and more information on the trip may be obtained by phoning the YMCA youth department.

The movie schedule will begin at 10 a.m. June 18 and will continue on each successive Friday. The first is a production by the Bell Telephone Co. entitled "The Alphabet Conspiracy," "Charley's Aunt," featuring Charley McCarthy and Edgar Bergen, and a cartoon also will be shown. Other films will include several from the Walt Disney studios.

Other trips will include visits to Grant's farm, New Salem State Park, Pere Marquette State Park, Scott Air Force Base, Port of Kaskaskia and Busch Stadium.

Recognition Day Set At Presbyterian Church

Recognition Day will be held Sunday for all choir at the First United Presbyterian Church and for senior high conference delegates to Blackburn College. Carlinville, Rev. David M. Maxton, pastor, announced.

The delegates will be honored at both services following the pastor's sermon. Fifteen from the local church will be among 250 to register at Blackburn at 3 p.m.

They are Gal Loper, Barbara Jackson, Ted Thomas, James E. recth, Helen Hall, David Steele, Terry Livingston, Mollie Van Buskirk, Nancy Oliver, Anita Hoelebeck, Carol Studebaker, Jane Kerch, Wendy Decatur, Jane Mann and James Evans.

At the 8:30 a.m. service, both the chapel and chancel choirs will be recognized and will present the anthem. During the 11 a.m. services, recognition will be given the sanctuary choir, cantors and boy and girl chorists, who will present the anthem.

Depot to Provide Jobs For Area Youngsters

The Granite City Army Depot will provide summer jobs for a limited number of Quad-City area boys and girls who are out of school in line with President Johnson's "Youth Opportunity Campaign."

More than two million youngsters, 16 through 21 years old, will look for work and be unable to find it, the President has noted, but getting the jobs may be the difference between being able to go back to school or not. Area youngsters interested may contact the Illinois State Employment Service, 2050 Iowa Street.

Explorer Post 12 Wins Uniwha Swim Meet at GC Depot

Explorer Post 12 sponsored by the Niedringhaus school PTA won the invitational swimming meet at the Granite City Army Depot pool, according to results announced this week.

The winners totaled 62 points, followed by Post 6, 44 points; Post 94, 34; and Post 96, 19. Lt. Col. Robert P. Armstrong, deputy commander of the depot, presented ribbons and awarded the first-place trophy to the president of Post 12.

Winners of individual events, in order, were:

Underwater swim for distance: Mark Hellrich, Post 94; Forrest Swan, Post 12; Mike Sizemore, Post 6; and Paul Hellrich, Post 94. Sideswim: Paul Hellrich, Alan Nicol, Post 12; Eric Wiehard, Post 94; Richard Pittman, Post 96; and Ron Yates, Post 6. Breast stroke: John Matras, Post 12; Paul Blason, Post 94; and Mike Sizemore, Post 94. Backstroke: Jeffery Farnley, Post 12; George Motsegood, Post 12; Bob Cowan, Post 6; Dennis Gelson, Post 96; and Terry Rose, Post 6.

Freestyle (two lengths): Warren Evans, Post 6; Louis Dringnich, Post 12; Mark Hellrich, Blason and Yates. Freestyle (four lengths): Reggie Teague, Post 6; Paul Hellrich, Matras, Pittman and James McCart, Post 96. Medley relay (six lengths): Post 12 (Parnley, back, Motsegood, breast, and Dringnich, free); and Post 6 (Evans, back, Teague, breast, and Cowan, free).

Freestyle relay (eight lengths): Post 12 (Matras, Parnley, Motsegood and Dringnich); Post 6 (Sizemore, Yates, Evans and Teague); and Post 96 (Tom Modglin, Dale Allen, Teddy Hendricks and John Ortolan).

John Matras, Uniwha district cabinet chairman and a member of the swim meet committee, and Marty Acme, swim meet chairman, were in charge.

Officials were Ray McDonald, starter; Bill Lierman, referee; John Adams, clerk of the course; Homer Johnson, head timer; Glen Hommert, Clay Brubaker, Howard Green and Mrs. Mary Tarpoff, timers; and George Guika and Kit Giletti, pickers.

SCHOLARSHIP GRANT presented to Jack Fish, son of Mr. and Mrs. Winford Fish, 4909 Carl avenue, by Mrs. Ann Tucker, outgoing president of Amvets Auxiliary (Unit 51), following his graduation from Granite City high school. The grant will cover the cost of books and supplies while he attends the University of Illinois in his freshman year.

11 GC Merchants Give Prizes for Boat Trip

Eleven Granite City merchants provided 19 prizes to Granite City students who attended the American Legion medals from school's annual boat excursion on Tri-City Post 113 as 52 eighth grade students were graduated the final week of activities. They were Helman's, one tote bag; Western Auto, a car floor; Woodworth's, a vanity plaque for writing the winning lamp; and shade; Benning's essay from the school in the contest sponsored last February by let; Johnson's Music store, a the Diocesan Council of Catholic record; Newberry's, six pen and Bic Nurses. Diplomats were presented by Rev. Joseph Enright, pastor.

Russian Being Taught Children at Frohardt

A summer course in the Russian language started this week for children in the fourth to the sixth grades at Frohardt school. Mrs. Agnes Fyritzko, the instructor, has an enrollment of 39 pupils and had to turn down additional applicants. The class meets from 9 a.m. to noon daily for six weeks.

Traffic Accidents Average 4.4-a-Day in GC

Granite City's traffic accident rate has climbed steadily this year as in the first five months totaled 669, with 219 injuries and three deaths, according to statistics kept by the police department.

The totals for May 117 accidents with 48 injuries and one death—a small girl struck by an auto on her way to school. The figures showed increases in all

categories over April when there were 106 accidents with 33 injuries and no deaths.

In the five-month period this year, Granite City averaged 4.4 accidents with 1.4 injuries each day. The daily averages for all of 1964 were 4.1 accidents and 1.3 injuries. Also, in five months this year, the city has reached the number of fatal accidents in all of 1964.

A breakdown of the accident statistics, showing the number of crashes, injuries and deaths in that order, follows:

January—160, 42 and one; February—128, 43 and one; March—156, 52 and 0; April—106, 33 and 0; and May—117, 48 and one.

Nameoki Township Buys Machine For Mosquito Control

Purchase of a new fogging machine for mosquito spray work was approved by the Nameoki town board in a routine meeting Monday night after Highway Commissioner Charles Hanks reported that the township's old equipment was in disrepair and beyond use.

The board approved purchase of a TFA Spray Machine at a cost of \$1775 with an additional \$80 to \$100 expenditure for controls. The cost covers installation on the township truck used for spray and fogging purposes. The equipment is the same as that used by Granite City. It was bought from the Hlava Garage Co., 108 Madison avenue, Madison.

In other business Supervisor Harry Briggs told several delegates from the Wilschire Manor area that Nameoki township will assist in any way to fight a proposed by Granite City to annex approximately 200 acres of Nameoki township east of Granite City that would include a portion of the Wilschire Manor area.

Carl Macios, president of the Wilschire Manor Civic and Improvement Association, informed Briggs that a committee appointed to keep informed on steps taken by Granite City on the annexation proposal had not yet held a meeting and had made no plans in view of the fact that Granite City has taken no further action on the proposed plan.

Oppose Annexation
Briggs pointed out that the township officials are opposed to annexation of any part of the township and stand ready to help residents of the area to oppose the annexation move by Granite City in any way that may be necessary.

The supervisor also announced that the board has no intention of proceeding at this time with overall master planning until legislation is passed permitting townships to get government tax funds available to finance organized planning. The township recently discussed with Theodore Mikesell, executive secretary of the Southwestern Illinois Metropolitan Area Planning Commission, the possibility of preparing an organized growth plan for the township.

Driver Fined \$125

Charles Westbrook, 2156 Adams street, was fined \$125 plus costs on charges of driving while intoxicated and illegal transportation of liquor Monday by Magistrate Hiscott. He was arrested at 8 p.m. Sunday after his auto struck the left side of another owned by Walter Gasparovic, 2252 Adams street, parked in front of his house.

City Seeking Cause of Falling Elm Leaves

Falling leaves from Chinese Elm trees will be investigated by the city to find a possible solution to the problem. It was decided Monday night by the council acting on a recommendation by Alderman Robertson and passed on to the Street committee.

Robertson said a number of persons have pointed out the condition, and he suggested the city seek help from the state forestry department or Southwestern Illinois University. The Street committee, headed by Sternberg, called upon City Atty. Allen to study the dead

end street problem at Villa. He is to determine if the developer of Westchester subdivision is responsible for installing a connecting street and sidewalks. Allen also is to determine legal steps necessary to complete a sidewalk in the 2200 block of St. Clair avenue now blocked by an embankment.

Bridge Widening Tract

Right on a 60-day deadline, the city accepted the conveyance of a 230x70-foot tract from the levee district to widen and improve the St. Clair avenue drainage ditch bridge. The proposal was made in April at the city's request, but official action was not taken for the acceptance. The city now needs approval of Illinois Power Co., which has an easement there, before the project can be undertaken.

Approval was given Granite City Steel Co. to install a pedestrian crosswalk electric traffic signal light on Madison avenue immediately south of 16th street. A charge of \$60 a month has been proposed by the owner for street department workers parking their autos on a vacant lot across from the city garage at 19th and Benton streets, but the city council decided to reserve parking spaces along 19th street for the employees and persons going to the garage.

A bid of \$300 by Biebel Roofing Co., Belleville, was accepted to replace the city-garage roof damaged by hail last year. The only other bid was \$3155 by Quad-City Roofing Co.

City Hall Step Replacement

A lone bid of \$1675 by Thomas Skerle to replace the steps at the Niedringhaus avenue entrance to the city hall was accepted.

Approved was a motor fuel tax resolution for \$40,000 MFT funds to be used for removal of old trolley tracks along Niedringhaus avenue from Madison avenue to Washington avenue and on Washington between 22nd and 24th streets. It was pointed out the city's MFT balance is too low for the project to be undertaken this year.

Permission was granted the Jaycees to hold a 15-auxiliary at 6 p.m. June 18 to promote its Miss Granite City pageant to staged June 19. Southwestern Bell Telephone Co. was given permission for excavations in the alley at 2500 Washington avenue, at 29th and Edison avenue, along Johnson road east of Westchester drive along Pontoon road east of Vine Blvd.

3 Members of Family Fined by Magistrate

Three members of the family of Luther Tidwell, 42, of 1852 Spruce street, were fined by Magistrate Hiscott on a variety of charges after their arrests during the weekend.

Tidwell was fined \$25 and costs each on charges of intoxication and disorderly conduct, after he pleaded guilty. His wife, Geneva Tidwell, 42, pleaded guilty to charges of intoxication and creating a disturbance and also was fined \$25 and costs on each.

She pleaded not guilty to a charge of contributing to the delinquency of a minor, and bail was set at \$300 cash or \$500 property. The two were held in jail pending posting of fines and bail. Their son, Robert Tidwell, changed pleas to guilty and was fined \$100 and costs on a charge of driving while his license was suspended and \$15 plus costs for making an improper left turn. He is to work at the city jail 25 days.

Chase Ends in Fight, Man Faces 2 Charges

Eldon R. Goodson, 2231 Dowry avenue, was charged with speeling and resisting arrest after a chase which ended in a fight with State Trooper Leo Sprinkle at 19th and State streets at 11 p.m. Monday.

Granite City police were called and Goodson was taken to St. Elizabeth Hospital for treatment of injuries before he was booked at the police station. He pleaded not guilty Tuesday morning and was released on \$100 cash bail set by Magistrate Merlin Hiscott.

Five-Month Report

Quad-City Births, Deaths Increasing This Year

The Quad-City area's birth rate dropped during May, but a five-month compilation by Granite City Clerk Homer (Cal) Pendleton shows a slight increase for the year.

During May 63 babies were born, compared to 88 in April, but the five-month total showed 428 births—15 more than the 413 recorded in the same period of 1964.

The area's death rate also showed an increase for the year, even though there was a slight decline in May. During the past month, 29 deaths were recorded compared to 23 in April. For the first five months of this year, 176 deaths were noted, while in

the same period of 1964 the total was 160.

Pendleton compiles vital statistics for the entire Quad-City area. A breakdown of the statistics by months, showing births and deaths in that order, follows:

January—96 and 45, February—83 and 37, March—96 and 34, April—88 and 31, and May—63 and 29.

Darnell Stationed on Carrier Off Viet Nam

Billy Darnell, son of Sterling M. Darnell, 1911 Grand avenue, was among the crew members of the USS Midway aircraft carrier as it participated in combat operations for 32 days this spring off the coast of Viet Nam, he has informed his father. The vessel has since gone to Subic Bay, Philippines, for repair and a period prior to returning to action.

Now in his fifth year in the Navy, the former Granite City high school student is assigned to the flight deck of the Midway, which left California March 6, stopped at Hawaii and the Philippines and reached the South China Sea April 8. It is part of the Seventh Fleet, which includes 125 ships, 650 aircraft and 64,000 sailors and marines.

The crew worked around the clock for day and night air strikes against Communist installations in North and South Viet Nam, including bridges, roads, convoys, PT boats and troop and military supply installations. The operations were described as "very successful" by Adm. W. P. Bringle and Capt. James M. O'Brien.

Relief Cases and Cost Decline In Nameoki Twp.

Relief cases and costs dropped in Nameoki township during May, it was reported this week at the office of Supervisor Harry Briggs.

During the month there were 33 families with 78 persons who received \$2535 assistance, compared to the April totals of 37 cases with 93 persons and costs of \$3023. In May 1964, the figures were 36 cases with 80 persons and \$4150 costs.

Total relief costs for the current fiscal year which started in March amounts to \$9892, compared to \$11,201 for the actual cash balance of \$24,508 as of June 1.

GC Twp. Relief Increases in May

Relief assistance in Granite City township increased during May with aid totaling \$6956 for 104 families that included 291 persons. It was reported this week from the office of Supervisor Nelson Hagmann.

The 104 cases showed an increase of eight over the 96 families given aid in April with the cost totaling \$5997 for the 242 persons.

Total relief costs for the first quarter of the township's new fiscal year amounts to \$20,291, compared to \$21,560 in the same period of 1964. In May 1964 there were 88 cases with 244 persons and costs of \$7811.

Nursing Home Care Available From VA

Illinois veterans may receive nursing home care from the Veterans Administration for the first time. Dr. John Foley Dee, director of VA's West Side Hospital at Chicago, announced this week.

The new program provides for nursing care both at the West Side Hospital and in non-VA facilities, possibly in the veterans' home community. To be eligible, a veteran must be a patient in a VA hospital which will determine that he no longer requires hospital treatment but does need general medical supervision, nursing assistance and supportive health care. His laboratory, x-ray and other needs must be

Mrs. Melba Tarpeff, newly-elected treasurer, and Mrs. Pat Malottki, social activities chairman, were unable to be present for the installation.

Miss Leona Wintermeyer, retiring president, was presented with a gift from the guild members by Rev. Robert J. Baumann, pastor. Later, the minister also presided over the presentation of a decorated cake in observance of his birthday.

The devotional program by Mrs. Joyce Matson, was based on the theme "So Give Proof of Your Love." She was assisted by Mrs. Evelyn Smith and Mrs. Shirley Glenn, with Mrs. Carol More providing the piano accompaniment. A movie, "The Gift," was shown.

Guild members authorized a \$36 donation to provide a bus trip to Grant's Farm for children who attend vacation Bible school, which begins at the church Monday. A second donation of \$27 was delegated to verify, Lafayette, Ind., the engagement of Miss Donna LaRose to Roy Skoba of Kenilworth, N. J., was announced by her mother, Mrs. June Scheriger, 2923 Palmer avenue.

Miss LaRose, a 1961 graduate of Granite City high school, received a Bachelor of Arts degree in Elementary Education this week at Purdue. She is planning to teach this fall in Detroit, Mich.

In the same ceremony, her friend received a Bachelor of Science degree in Industrial Engineering. Mr. Skoba, whose parents are Mr. and Mrs. Michael Skoba, 15 North 8th street, Kenilworth, N. J., has a position with the National Bank of Detroit. The couple plan to be married here Aug. 21.

AUGUST BRIDE-TO-BE, Miss Donna LaRose, whose betrothal to Roy Skoba of Kenilworth, N. J., is announced by her mother, Mrs. June Scheriger, 2923 Palmer avenue. Mr. Skoba's parents are Mr. and Mrs. Michael Skoba of Kenilworth. The couple has set Aug. 21 as their wedding date.

Miss LaRose Is Engaged

Following their graduation earlier this week at Purdue University, Lafayette, Ind., the engagement of Miss Donna LaRose to Roy Skoba of Kenilworth, N. J., was announced by her mother, Mrs. June Scheriger, 2923 Palmer avenue.

City Bills Total \$107,182; \$82,724 for Treatment Plant

A \$107,182 two-week bill list was approved Monday night by Granite City council members including top payment of \$82,724 from the revenue bond issue for the sewage treatment plant under construction at the Army Depot site.

The payments were \$79,181 to the contractor, Nelson Construction Co. for estimate No. 6, and \$5342 to Sheppard, Morgan & Schwab for inspection and engineering services.

Action was deferred on payment of \$7714 to David J. Johnston & Associates for engineering the 23rd and Adams streets track removal and drainage project. The bill had been submitted May 24 and was separated from the bill list for a recommendation by the Finance committee.

Alderman Rutledge, Finance chairman, said it was his recommendation the bill not be paid. Alderman Moerlen added he has long opposed double payments to the firm as consulting and public engineer for the city, based on the state law that a firm receiving a regular fee through appointment by a municipality cannot receive additional funds.

Several aldermen pointed out Johnston's firm was specifically asked to do the job and that the council knew it would be billed extra. Deferral action was taken to halt debate after Alderman Robertson requested a legal opinion from City Atty. Allen.

Separated from Monday night's bill list was a payment of \$318 submitted by Leo Kamadulski for cutting weeds on 122.3 lots at \$2.60 each. Complaints were made that on the quonset hut lots the weeds had been knocked down instead of cut. Alderman Boyd, Sanitary committee chairman, said Kamadulski is giving new equipment and would correct the matter.

Among the payments approved were \$2646 to the Illinois Municipal League for employee retirement; \$11,908 to General Contracting Co. for work on the motor fuel tax project to Madison avenue truck removal; \$1531 to East St. Louis & Interurban Water Co. for May rental on 258 fire hydrants and service to city buildings; \$1994 to Illinois Power Co. for May street lighting and other services.

Dr. Felipe Koch paid \$3 for treating a street department worker, Bruce Wortman, who was bitten by a dog; and Dr. E. H. Theris is to be paid \$28 for giving treatment to Francis Judd, who was bitten by a police

New Licensee Ok'd For Tavern in GC

Application by Lonnie Dye, 37, of 2420 Kilarney drive, a machinist, to take over the operation of the Tip Top tavern, 18th and State streets, was approved by the Granite City council Monday night along with four liquor bond renewals.

Harold Hillmer, deputy liquor commissioner, was instructed to prepare a list of all taverns for which \$2000 surety bonds have not yet submitted. Dye's bond was by Western Surety Co. The tavern licensee now is Frank Ruppel.

Renewal bonds were approved for Mrs. Violet Zillbott for Club Boundary, 1344 State street, Western Surety Co.; Mrs. Kathryn Jones, Arky's Rendum

Club, 1539 Madison avenue, and Everett Messenger, Eddie's Lounge, 2900 Nameoki road, both by National Auto & Casualty Co.; and VFW Post 1300, 21st and Washington avenue, U. S. Fidelity Co.

Rabies Inoculations Scheduled in GC Today

Anti-rabies shots for dogs will be administered at the Granite City garage, Thursday from 8 a.m. to 10 p.m. by Dr. Leland Holt and Dr. L. O. Tadlock. Rabies vaccination are required for animals annually after they are three months or older before issuance of city license. The fee is \$2.50 for each dog.

Take a close look: See how many former Ford and Chevy owners are now driving Chryslers,

then you'll know why we're offering such good deals. Come in and see.

We're having our greatest sales year—thanks, in part, to a lot of former Ford and Chevy owners. Here's one reason they bought: nearly half our '65 models are actually priced just a few dollars a month more than the most popular smaller cars, comparably equipped. And that small difference includes power steering, power brakes, automatic transmission, radio, heater and V-8 engine. Say you're driving a Ford now? How'd you like to drive a Chrysler tomorrow? See us today and make the move up. It's never been easier.

Parking Meter Income Still Below Year Ago

Income during May from operation of parking meters in Granite City continued below the monthly levels of a year ago, with meter fees totaling \$282 and fines amounting to \$284, according to a report by John Dowler, city comptroller.

Although the \$284 was \$83 greater than the fines collected in May a year ago, the fee collections decreased \$202 below the \$300 in May 1964.

The total of fees and fines, \$312, compared to \$322 for the same month a year ago.

Five-Month Trend
Fee collections from parking meters this year have been below

those of a year ago for each of the five months of this year. Fines assessed for meter violations have been less than those of a year ago three of the five months, the exceptions being January and May. The overall total of fees and fines, however, has been less than the monthly totals of a year ago for each of the five months.

In January, fee collections were \$217.5 compared to \$227.6 the same month a year ago, with fines of \$151 this year and \$87 in January 1964.

February fee collections this year were \$263.5 compared to \$268.1 a year ago, with fines of \$156 in the year and \$163 last year. In March this year, the city collected meter fees of \$314.3 and fines of \$218, compared to fees of \$333.9 and fines of \$283 in March a year ago.

April collections this year amounted to \$276 in fees and \$143 in fines, compared to \$283.3 in fees and \$249 in fines a year ago.

Financial Reports Show Balances In GC Twp. Funds

A monthly financial report submitted by Supervisor Nelson Hagmauer showed May 31 balances of \$24,557 in the general assistance fund and \$9150 in the town fund of Granite City township.

The monthly reports and routine bill lists for the township were taken up in a four-minute session of the Granite City township board of auditors. The council has decided to meet every — at 7:45 p.m. — two Mondays a month to transact township business. The city council serves as the town board in consecutive city-townships.

The town meeting Monday night started at 7:35, and was over at 8:02.

Hagmauer's financial report for May showed general assistance expenditures of \$19,612, leaving a May 31 balance of \$24,557; and town fund disbursements were \$6313, leaving the \$9150 balance. The town fund had income of \$10,300 from an anticipation warrant.

Current Disbursements
Current relief bills approved by the council totaled \$4279 and included \$1942 for medical care, \$1160 for food, \$337 for rent, \$32 reimbursement to Naperville township, \$114 for utilities, and the following administrative costs: office rent, \$100; office staff half-month salaries, \$320; office utilities, \$10; and office supplies, \$23.

Town fund disbursements amounted to \$2363, including \$1725 paid to deputy tax assessors.

Half-month salaries totaled \$731, and office expenses for the assessor's office were \$75 for rent, \$20 for utilities, \$72 for supplies, \$37 for publication of a specimen ballot and \$6 for an Associated Retailers' report.

The payments to deputy assessors were:

Mary Bering, \$195; Catherine Calligan, \$117; Geraldine Gorb, \$63; Dixie Griffin, \$130; Mary Halliburton, \$186; Sally Harper, \$7; Julia Lancaster, \$29; Richard Reber, \$180; Gladys Reeves, \$32; Anna Rhoades, \$78; Wilma Roller, \$173; Joan Rush, \$54; Laura Sykes, \$21; Kathryn Wagner, \$22, and Mary Wondra, \$153.

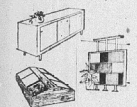

Thieves Steal Plug Wires

Thieves stole spark plug wires from a concrete truck owned by the Reeves Concrete Co., 2801 Circle Drive, and pulled microphone sockets out of three trucks while they were parked in the firm's yard. It was reported at 2:25 p.m. Monday.

Boy and Dog Reunited Through News Article

Little John Baker of 2920 Sunset drive and his wire-haired fox terrier, "Prince," were reunited this week through a Press-Record news item which told Monday of the dog's disappearance from the family's fenced yard.

Mrs. Marie Baker, mother of the eight-year-old boy, said a resident who lived about three blocks from the Baker home came to her house after the news article appeared, but failed to find her at home. Later, she said, he called by telephone to say that the dog had appeared around their home and had been taken to the Granite City Animal Shelter.

Mrs. Baker also was contacted by Albert Young, humane officer, who returned the dog to Mrs. Baker.

Mrs. Mary C. Barron Dies in Nursing Home

Mrs. Mary C. Barron, 72, of 4117 Highway 111, died at 11:30 p.m. Monday in the Pleasant Rest Nursing Home, Collinsville, where she had been a patient four months. Death was due to complications caused by diabetes.

Mrs. Barron was born in Valley Park, Mo., and had been a resident of the Quaker City area for 29 years. She was a member of the Pontoon Beach Church of Christ.

Her husband, Ezra Barron, died in 1950. She is survived by a son, Melvin E. Barron of Granite City; two daughters, Mrs. Harry (Dora) Johnson of Alton and Mrs. Grace Meyers of Phoenix, Ariz.; two brothers, George Windecker of St. Louis, and Otto Windecker of Alton, Mo.; three sisters, Mrs. Adele Higgins, Mrs. Minnie Jausa and Mrs. Ella Graeff, all of St. Louis, 18 grandchildren and several great-grandchildren.

Funeral arrangements are given in today's obituary column.

Collinsville Minister To Observe 40th Year

The 40th anniversary of Rev. C. H. Kohlmann as pastor of St. John's Evangelical United Church of Christ of Collinsville will be observed with a special service and reception June 27. The minister has become well known in Madison county during that time.

The service will be at 10:30 a.m., with three speakers headed by Rev. O. Walter Wagner, secretary of the St. Louis Metropolitan Church Federation. The reception is scheduled from 2:30 to 4:30 p.m. in the church parlors.

Attempt to Break into Venice Grocery Fails

Joseph Tadman, operator of a grocery store at 1101 Market street, Venice, reported to police early Tuesday that an unsuccessful attempt to break into the store was made Monday night or early Tuesday morning.

Tadman said a window on the west side of the building was broken, two basement doors were damaged and a hole was knocked in a rear door. He said a meat cleaver was found in the backyard.

Car Damaged in Venice

An auto driven by Jefferson Hodges, 306 State street, Madison, was damaged Monday when Hodges struck an electric light pole at a service station at Market street and Broadway in Venice. Police said Hodges was leaving the station to go west in the alley.

Kiwanis Hear Newscaster
Steven B. Stevens, St. Louis radio newscaster, delivered a talk with a religious theme Monday night as the Granite City Kiwanis Club observed ladies night at the Rose Bowl. President Herbert Schennot presided.

Close cooperation between the city and school district was evident Monday night when the city agreed to close a section of 29th street for play purposes, voted to hire four guards for crossings near schools where there are summer sessions and also to provide the monthly sewer rental fee for schools in the Nameoki area.

Twenty-ninth street is to be blocked off west of State street to provide additional space for 250 youngsters who will be attending classes at Niedringhaus school to be held from 8:30 to 11:30 from June 28 to July 23. The classes are being conducted under the supervision of Mrs. Sally Swell and Southwestern Illinois University for in-service training for teachers of gifted children.

Most of the playground near the school and several school rooms are to be used in the park district's summer recreation program. The street will be blocked off from 9 to 11 a.m. during the days the classes are in session.

Police Lt. Paul Moore is to designate the posts for four school crossing guards to be employed on a half-day basis until July 16 while summer school classes are in session.

Sewer Fee Set to \$12
The sewer rental charge for schools, which has been \$10 a month, is changed to \$12 a month, depending on the number of pupils. The \$6 charge is for 300 pupils or less, \$8 for 301 to 600 pupils and \$12 for 601 or more.

Dr. Coleman Wins Award For Speech on Communism
Dr. Lee Coleman won the speaker's award Monday night at a meeting of the Granite City Toastmasters at the Grand Cafe. His subject was "One Communist is Too Many."

Other speakers were Charles Youngs and a guest, Jan Pinson Dr. E. L. Strotheide was timer and "ah" suppressor, Earl Lee was general evaluator and Stanley Kohlmann was toastmaster. The club suspended regular meetings until Sept. 12.

20th-Madison Accident
A car driven by Max Taylor, Collinsville, struck the right side of an auto driven by Lester D. Queen, Steeleville, Ill., at 12:40 p.m. Tuesday at 20th street and Madison avenue, they reported to police.

Man Loses 2 Fingers In Power Saw Mishap

After he amputated his left index and middle fingers and severely cut his left ring finger on a power table saw Monday night, Robert Turk, 39, of 2430 Pine street, was admitted at St. Elizabeth Hospital, where he is reported in good condition today. The accident occurred while Turk was sawing wood in the garage at his home. He was taken to the hospital by his wife.

Parked Car Struck

Two autos were damaged in the 1000 block of Madison avenue at 5:30 p.m. Monday when one driven by William D. Jones, 2613 East 25th street, struck a parked car owned by Norman R. Adams, 500 Main street, Venice. Jones told police he was attempting to park when the mishap occurred.

Boys Tamper With Cars

Police received a report that vandals were tampering with cars at the Granite City Auto Sales lot, Nameoki and Johnson roads, at 12:35 a.m. Tuesday. Four boys, spotted by patrolmen, quickly disappeared.
